Videocassettes (Available for group or individual screening. Consult the librarian on duty at our Centre)

- The New Urban Renewal: Reclaiming Our Neighborhoods—Rebuilding Neighborhoods from the Ground Up (PBS Video, 60 minutes). *Urban centers can be revitalized to upgrade and enhance the quality of life for citizens. This hour long episode focuses on community development corporations that weave an interlocking web of physical and human support, from new housing to businesses and social services, literally, rebuilding communities from the ground up.*
- The Living Edens: Yellowstone--America's Sacred Wilderness, the Last Unspoiled Places on Earth (PBS Video, 60 minutes). *In this exciting program, acclaimed author and naturalist, Paul Schullery, guides viewers through Yellowstone Park, the world's first National Park. In this "Eden," wolves and grizzly bears chase elk, and mountain lions play and bask in the sunshine amidst some of the world's most beautiful landscapes.*
